

City of Moore CDBG-DR Down Payment Assistance Program Handbook

The City of Moore CDBG-DR Down Payment Assistance Program Handbook is meant to be used as a resource in completing the Down Payment Assistance Application

Neighborhood Housing Services Oklahoma (NHSOKLA) administers different Down Payment Assistance (DPA) Programs with similarities in basic requirements and some specific requirements for each program to meet the needs of clients and market demand. All DPA Programs are contingent upon funding availability and are administered on a first come first serve basis.

The City of Moore CDBG-DR Assistance Program:

- The City of Moore intends to provide housing assistance in the form of counseling on the home purchasing and financing process, and cash subsidies for down payments, equity buy-down, or closing costs for qualified applicants whose income is between 50% and 80% of area median income. The maximum program subsidy is \$40,000. The long term goal of this program is to help provide sustainable housing access and equity for low-to-moderate income homebuyers. The grant term is five (5) years and is secured by a lien to the city.
- The amount of housing assistance given to each household will be determined by the NHSOKLA and the City of Moore. The amount of assistance will vary for each household.
- Household income (**all members of the household over the age of 18 must be considered regardless of who is qualifying for the mortgage loan**) must be at least 50% of the area median income guidelines and cannot exceed 80% of the area median income guidelines.
