

Description of the DPA Homebuyer Assistance Program for Oklahoma City

The Homebuyer Down Payment & Closing Cost Assistance Program (DPA Program) provides funds for low-to-moderate-income individuals and families to purchase their home and realize the great American Dream of Homeownership.

Neighborhood Housing Services Oklahoma (NHSOKLA) offers different DPA Programs with some similarity in basic requirements and some specific requirements for each program to meet the needs of clients and market demand. Each program offers assistance for a designated target area (**Refer to Maps and DPA Program Matrix**). All DPA Programs are contingent upon funding availability and are administered on a first come first serve basis. Funds will not be reserved until Neighborhood Housing Services Oklahoma (NHSOKLA) receives a copy of the fully executed purchase contract.

Assistance is provided in the form of a seven-year forgivable second mortgage to be filed at the County Courthouse and held by the City of Oklahoma City or Neighborhood Housing Services Oklahoma. The second mortgage is subject to forgiveness after buyers have occupied the home as their primary residence for seven years (Affordability Period). If the property is sold, refinanced or conveyed during the seven-year affordability period, the buyers will need to contact NHSOKLA at (405) 231-4663 and request a payoff amount prior to closing. The forgiveness of the second mortgage is 1/60th per month, beginning 60 days after closing. If the property is sub-leased during the seven-year affordability period, the full amount of DPA that was provided will be required to be paid back.

The City of Oklahoma City HOME Program:

This program serves two different areas and the buyer's household must meet the HUD's 80% Average Median Income limits. Income is calculated utilizing the 1040 Adjusted Gross method.

1. The first area is the **NRSA Area**. If a buyer purchases in the targeted NRSA area (**see map**), this program will assist the buyers with up to \$14,999 for Down Payment and Closing Costs.
2. The second area is the **Low/Mod Area (see map)**. If the property is located in the Low/Mod Area, the program will assist the buyers with up to \$14,999 for Down Payment and Closing Costs.

The amount of assistance will be calculated as follows: Funding amount needed to obtain loan to value (LTV) not to exceed 95% of purchase price, including closing costs and all credits toward the purchase and homebuyer required investments have been calculated.

It is imperative that you contact the NHSOKLA office prior to committing to a property for verification that the property address qualifies for Down Payment assistance!
